Acquisition of an asset in 49, Aghiou Konstantinou Street, Maroussi

Trastor REIC announces the acquisition of an 80% undivided interest over an office building, located at 49 Aghiou Konstantinou & Grammou Street in Maroussi.

Trastor acquired a three-storey office building, with modern specifications and excellent visibility. Its total area is 4,715.42 sq.m and comprises office, parking and auxiliary areas.

The property is fully let to mainly multinational companies and the acquisition price is €6.5mn. The transaction was financed through funds raised by the Share Capital Increase completed in January 2017 and through debt facility.

Trastor REIC CEO, Tassos Kazinos, stated the following:

“Trastor is commencing 2018 by adding to its portfolio a contemporary office building, situated very close to Kifissias Avenue, with modern specifications and excellent visibility. We confirm in practice our strategy which focuses on acquiring quality assets while demonstrating our confidence in the Greek real estate market.”
