

Commentary on Publication

The company TRASTOR REIC ("Company"), in response to document No 3410/07-10-2015 of the Hellenic Capital Market Commission, whereby it requested comments on a publication of "NAFTEMPORIKI" newspaper, and in consultation with its main shareholder, Piraeus Bank, announces the following: As part of the empowerment and enlargement of the Company's shareholder base, Greek and foreign institutional investors have been approached to express their interest in participating in the Company's share capital by the disposal of percentage of shares, which will be specified in connection with the expression of interest. Piraeus Bank's appointed advisor is Deloitte. The process is at an early stage and the investing public will be notified accordingly of any substantial progress.
