

Commentary on Publication

The company TRASTOR REIC ("Company"), in response to document under Ref. No 3910/17.11.2015 of the Hellenic Capital Market Commission, whereby it requested comments on a publication of "NAFTEMPORIKI", announces to the investing public that, although it explores possible alternatives for the development of the Company, it has not entered into discussions about a possible merger with the company Intercontinental International REIC. The Company will be providing information to the investing public on any substantial progress.
