

Announcement of regulated information - Notification of important change in the percentage of shareholder's voting rights in accordance with Law 3556/2007

Trastor REIC (hereinafter the "Issuer"), pursuant to the provisions of Law 3556/2007, as in force, and following the related notification dated 26th January 2017, which it has received from the shareholder Piraeus Bank, informs the investing public that: After the start of trading of the new shares of the Issuer on the Athens Stock Exchange on 23/01/2017, which resulted from the increase in its share capital, the percentage of voting rights of Piraeus Bank fell to 39.4128% of all voting rights of the issuer, as a consequence of the non-exercise of the call option corresponding thereto. Piraeus Bank now holds 31,787,803 shares of the Issuer and 31,802,449 voting rights, which include 14,646 voting rights, which it exercises by virtue of pledge agreements. In addition, Piraeus Bank, at the same date as above (23/01/2017), acquired the call option from Wert Red S.a.r.l. for the purchase of 2,444,682 shares of the Issuer that correspond to a percentage of 3.0297% of the total voting rights in the Issuer, which (call option) may be exercised at any time until 23/01/2019.
