

Press Release

Acquisition of two properties in Agia Paraskevi and in Athens

Trastor REIC (“The Company”), announces the acquisition of a modern mixed use commercial building, located at 515 Mesogeion Ave in Agia Paraskevi. The total area of the property is 5,069.53 sq.m. and consists of four office floors, a retail unit located on the ground floor, ancillary space, and 66 underground parking spaces. The property has excellent location, visibility and accessibility and is entirely leased to domestic and international companies. The acquisition price is €4.25 million.

In addition to the above, the Company was declared the highest bidder in an auction by offering €1.91 million for the acquisition of the 6th floor and 8 parking spaces of a prime office building. The property is located at 4 Theofanous Str. in Athens. All required formalities are expected to be completed in due course.

Tassos Kazinos, Chief Executive Officer of Trastor, made the following statement:

"Remaining consistent to the Investment Strategy that our Company has adopted, we include in our portfolio two high quality income producing properties. We continue to strengthen our Company's value while exploring new investment opportunities."
