

Announcement of regulated information

Trastor REIC (hereinafter the «Issuer»), pursuant to the provisions of L.3556/2007, as in force, and following relevant notification received from Piraeus Bank on 28/01/2019, informs the investing public that:

On 23/01/2017 Piraeus Bank acquired from Wert Red S.a.r.l. a call option for the purchase of 2.444.682 shares of the Issuer that correspond to a percentage of 3,0297% of the total voting rights of the Issuer. Piraeus Bank had the option to exercise this right (call option), at any time up to 23/01/2019, date that has passed without Piraeus Bank exercising this right.

As a result of not exercising the above-mentioned call option right, Piraeus Bank now holds 31.802.449 voting rights of the Issuer, that includes 14.646 voting rights exercised by virtue of pledge agreements, and its total percentage of voting rights is 39,4128% of the total voting rights of the Issuer.
