

PRESS RELEASE

Acquisition of an office building in Maroussi

Trastor R.E.I.C. (the "Company"), further to the announcement made on 19.12.2019, informs the investing public about the completion of the acquisition of an office building located at 57, Agiou Konstantinou street, in Maroussi.

A modern office building with total surface area of 3,716 sq.m., which consists of office areas extended over five levels and two underground parking levels.

The acquisition price is €6,350,000.

Upon the completion of this acquisition, the Chief Executive Officer of the Company, Mr. Tassos Kazinos, made the following statement:

"After the completion of the first phase of the fight against the Covid-19 pandemic we are now entering a new period of personal and collective responsibility – to support the economic recovery and society at large. In this national effort, the real estate industry can be a catalyst for such positive developments. Trastor, while adapting its operations to the new norms and placing paramount importance to the health and safety of its employees, continues to do what it knows best. Implementing its investment strategy, expanding its portfolio with a prime office asset, and creating value for its shareholders while strengthening employment. We move ahead with confidence in the Greek real estate market and actively support the country's economy and development."
