**Trastor REIC: Sale of a property at 270 Kifissias Ave. in Chalandri**

Trastor REIC (the "Company") announces the sale of office floors with total surface area of 1,673 sq.m, including underground areas, located at 270, Kifissias Ave. in Chalandri. The areas are part of a stand-alone office building that was acquired from the Company in November 2018. The total sale price is €3.3mn

The Chief Executive Officer of Trastor, Mr. Tassos Kazinos made the following statement:

“Trastor continues its investment plan by focusing on acquiring stand-alone buildings, to further enhance its growth. At the same time, we evaluate divestment options for our smaller properties, aiming at achieving optimal returns for our shareholders. Additionally, this sale demonstrates the dynamism of the Greek real estate market for properties with excellent visibility and accessibility, despite the adverse effects from the COVID-19 pandemic.”
