Required majority: 2/3 of the represented capital plus one vote

The Board of Directors refers to the employment agreement dated 01.05.2017 (the "**Employment Agreement**") and made between the Company and Mr. Tassos Kazinos, Vice Chairman of the Board of Directors and Chief Executive Officer of the Company (the "**CEO**"), which has been approved by the Annual General Meeting of the Shareholders held on 26.05.2017, in accordance with article 23a par. 5 of C.L. 2190/1920, as in force by that time. The Board of Directors reminds that the CEO's remuneration under the Employment Agreement consists of (i) an annual fixed cash component (the "**Fixed Remuneration**"), and (ii) a variable, performance based, component

equal to up to 40% (amended to up to 50% from 2019 onwards) of the Fixed Remuneration (the “**Variable Component**”). The terms of the Variable Component are set out in the short-term incentive plan (the “**STI Plan**”) annexed to the Employment Agreement, as amended by virtue of the resolution of the Annual Ordinary General Meeting of the Shareholders of the Company dated 30.07.2020.

In addition, the Board of Directors refers to previous resolutions of the General Meeting regarding the approval of offering of shares free of charge to the CEO within the framework of its obligations arising out of the STI Plan and proposes to the General Meeting of Shareholders in execution of the STI Plan:

- a) to approve the issuance and distribution to the CEO free of charge of 72,217 new, ordinary shares, of a nominal value of €0.50 each, by virtue of a share capital increase to be made through the capitalization of an amount of 36,108.50 euros of the distributable reserve under the title “short-term reserve” that the Company has created for this purpose, in accordance with article 114 of Law 4548/2018, and
- b) to authorize the Board of Directors to proceed with any legal act or action to implement the resolution of the Shareholders’ General Meeting.

Item 10: Ascertainment of the non-implementation of the Company’s share capital increase pursuant to the resolution of the Ordinary General Meeting of 28/03/2025 – Revocation of the relevant resolution and amendment of Article 5 of the Company’s Articles of Association.

Required quorum: 1/2 of the paid-up share capital

Required majority: 2/3 of the represented capital plus one vote

The Board of Directors notes that the increase of the Company’s share capital in cash (through the issuance of new common registered shares, the exclusion of pre-emption rights of existing shareholders, and coverage through a public offering in Greece) and through the capitalization of reserves, for a total amount of one hundred twenty million thirty-six thousand seven hundred sixty-five euros (€120,036,765), which was decided by the Ordinary General Meeting of 28/03/2025 (Item 10 of the agenda), was not implemented, and the cash component of the increase was not covered within the deadline set by the above Ordinary General Meeting, since, due to the volatile conditions prevailing in the capital markets in July 2025, the Company decided to temporarily postpone the public offering of its shares to new investors and, in general, the completion of the share capital increase process, despite the advanced stage it had already reached.

It is noted that the Board of Directors, having assessed that, under the current circumstances, based on the latest conditions shaping the Greek economy and the international capital markets during the first quarter of 2026, it is in the Company’s best interest to restart the share capital increase process, will propose to the present Ordinary General Meeting of 20th March 2026 to adopt a new resolution for a share capital increase, granting the relevant authorization to the Board of Directors (under Item 11 below), while at the same time making use of the preparatory work already carried out both internally and by external advisors for the share capital increase that was not executed, thereby ensuring continuity of planning and saving resources and time for the Company.

In light of the above, the Board of Directors recommends that the Ordinary General Meeting adopt a resolution:

- (a) to revoke the resolution of the Ordinary General Meeting of 28/03/2025 regarding the increase of the Company’s share capital (Item 10 of the agenda), and
- (b) to amend Article 5 of the Company’s Articles of Association regarding share capital, by deleting the last paragraph 1.22. and reverting Article 5 of the Articles of Association to its previous form, as it existed before the

resolution of the Ordinary General Meeting of 28/03/2025.

Item 11: Granting authorisation to the Board of Directors for the increase of the Company's share capital and for the limitation or exclusion of the pre-emption rights of existing shareholders, in accordance with the provisions of articles 24 para. 1(b) and 27 para. 4 of Law 4548/2018.

Required quorum: 1/2 of the paid-up share capital

Required majority: 2/3 of the represented capital plus one vote

The Board of Directors proposes to the Ordinary General Meeting the granting of authorisation to the Board of Directors:

(a) to decide, with the quorum and majority provided by law, on the share capital increase of the Company by payment in cash, in accordance with article 24 para. 1(b) of Law 4548/2018, as in force, by an amount not exceeding, in total, three times the paid-up share capital existing on the date on which this authorisation is granted to the Board of Directors, namely by an amount not exceeding three hundred sixty-seven million one hundred six thousand two hundred forty-seven euros (€367,106,247) (nominal amount), with the issuance of up to seven hundred thirty-four million two hundred twelve thousand four hundred ninety-four (734,212,494) new common registered shares with a nominal value of €0.50 each (hereinafter the "SCI");

(b) within the framework of the SCI, to decide, at its discretion and with the quorum and majority provided by law, on the limitation and/or the exclusion of the pre-emption rights of existing shareholders, pursuant to article 27 para. 4 of Law 4548/2018, so that new investors may have the opportunity to participate in the coverage of the SCI and the required free float may be achieved, in accordance with Law 3371/2005 (article 4 para. 4) and article 3.1.4.4 of the Athens Exchange («**ATHEX**») Rulebook;

(c) to determine and finalize, at its discretion, the remaining terms of the SCI, including indicatively its timeline and structure, the offering method of the new shares (including, without limitation, through a public offering in Greece and/or by private placement to institutional and qualified investors internationally), the offer price of the new shares, the selection of investors and the allocation criteria among the various investor categories, the drafting, negotiation and execution of the necessary contracts or agreements with intermediary, arranging, coordinating or managing banks, underwriters, bookrunners, and/or other investment services firms or advisors, the deadline for the payment of the SCI amount within the time limits of article 20 of Law 4548/2018, as in force, the use of proceeds and, generally, to take any necessary, desirable or appropriate act, action, declaration or legal act for the implementation of the resolution of the Ordinary General Meeting and for executing and completing the SCI, including the amendment of article 5 of the Company's Articles of Association on the share capital, in line with the above, and the listing and trading of the new shares on the regulated market of the ATHEX; and

(d) to decide that, in the event the SCI is not fully subscribed, the share capital shall increase up to the amount of the subscription, in accordance with article 28 of Law 4548/2018, provided that the required free float has been achieved, and to set any conditions related thereto.

It is further proposed that the Ordinary General Meeting set as a condition that, in the event that the required free float, amounting to at least fifteen percent (15%) of the total common shares of the Company (existing and new shares issued in the SCI), based on its total market capitalization, is not achieved in accordance with Law 3371/2005 (article 4 para. 4) and article 3.1.4.4 of the ATHEX Rulebook, and irrespective of the amount of the Share Capital Increase (SCI) subscribed, the SCI shall be cancelled in its entirety; the investors shall not receive

any shares of the Company; and any funds raised shall be returned to participating investors without interest. In this context, it is further proposed that the Board of Directors be authorised to take any necessary act, action or declaration for the implementation of the above.

This authorisation to the Board of Directors for the share capital increase of the Company, in accordance with the above, is proposed to remain valid for twelve (12) months from the date of the resolution of the Ordinary General Meeting.

The granting of authorisation to the Board of Directors facilitates and accelerates the procedure required for an extraordinary share capital increase, while providing the necessary flexibility for the Board to determine the appropriate timing for launching the SCI, taking into account the Company's capital needs, its regulatory obligations in relation to achieving the required free float, and its other business objectives.
